

Consumer request form

Dear merchant,

I am a loyal customer of your establishment, and I recently became aware that when I use my bank card that the items I purchase from your store and information of my buying habits are sold to various companies like Google, Face Book, Twitter etc.

Recently I became aware of a new merchant processing system that not only protects my privacy but has enhanced economic benefits to participating merchants that can save you money earn you more money from new products generated by their proprietary POS system and you can become an equity partner by becoming a merchant in their network.

I would appreciate it if you would go to their site, <https://apg-it.cc/for-merchants/> and consider using their services. This is something that benefits both you and me and it would be greatly appreciated.

Sincerely,
Your loyal customer
